

Three wide racing rule:

Forced 3 wide passing is not legal at Slinger Speedway. If a driver gets into a three wide situation the car that "created" the 3 wide must back out to allow the other two cars room avoiding a wreck. If the driver "backs out" in a timely fashion and there is no wreck he/she will not be penalized.

The penalty for passing three wide is the black flag and the driver will be not be scored from that lap forward.

Exceptions to the rule:

If a car or cars have to take evasive action to avoid trouble they may go three wide to avoid causing a wreck. For example, a car has a flat tire and goes to the upper groove to exit the track he/she may be passed three wide. Another example is two side by side cars make contact going up the track the car behind them may go under to avoid wrecking making a three wide pass. It must be a common sense situation to avoid trouble and **NOT a forced** 3 wide situation.

The Bee's are allowed to race 3 wide.
