4 Cylinder Bracket “B”

Driver must declare participation in 4 Cylinder Bracket or may participate in regular brackets.

Bracket “B” will follow Event Rules & Lineup Procedures

Bracket split fast/slow/slowest. 4 Cylinder bracket “B” breakout to rear of “B”

Event Rules

1. AMB Transponders are required. Anyone on the track without a working transponder will be black-flagged. Transponders must be installed and working during practice “practice is attendance”. Transponders can only be used in ONE car - anyone running more than one car must have separate transponders for each.
2. Raceceivers are required - frequency 469.5500/Channel 1565
3. Drivers must establish a qualifying time during the scheduled 2-lap qualifying period.
4. All cars will qualify one time. NO wave-offs
5. Cars will qualify in number order, starting with the pulled number. Qualifying out of order will reduce the qualifying to one lap.
6. Any qualifying lap faster than 12.700 for Bracket A or 13.7 for Bracket B must requalify during Happy Hour to establish a qualifying time.
7. Happy Hour requalifying line will form at Pit Steward’s direction. A \$5 fee will be collected for each single lap attempt. Every car must exit the track between each qualifying attempt/lap.
8. BREAKOUT RULE - We will use transponder timing. If the driver exceeds :00.200 faster than official qualifying time...  
...In the heat: DQ and move to the Last Chance race for the next higher up Bracket (if already in A, go to A Last Chance race)  
...In the feature: DQ  
The lowest breakout time allowed for any driver who breaks out may never

be lower than 12.500 for Bracket A or 13.5 for Bracket B.

9. Individual qualifying time and breakout time will stay the same during the entire event. Your times will NOT change.
10. Number - including add-ons, MUST BE legible and visible to the control tower.
11. Driver may qualify/race in multiple brackets with multiple cars (but must have a different transponder for each car). Only the driver that qualifies the car may compete in the qualified car. No driver swaps.
12. Officials reserve the right to adjust schedule/events due to the size of the field, weather, or unforeseen circumstances. No cash refunds.

### Line Up Procedures

1. All cars qualifying will be divided into equal brackets formed by the number of cars qualified. Number of cars and time spread will determine brackets.
2. Heat races consist of all qualifiers alternated and staggered. Full field inverted, top 4 advance to feature.
3. Last Chance Qualifiers will consist of positions 5 and up from each heat, staggered and alternated based on finish of heat. Up to 3 races per bracket with top 2 to feature.
4. Number of transfer positions may be adjusted for more cars based on available cars. Transfer to feature will result in non-transfer money moving to first non-transfer position.
5. "Gong Show" race will include all non-feature cars, inverted by time. Optional participation. Winner earns a 2021 WI Invitational entry. All other positions receive a 12-pack of Miller products (Pepsi products if under 21).
6. Feature lineups consist of the fast qualifier, top four from each heat and top four from the Last Chance race. Lined up based on time, with a 12 car invert. Last Chance transfers will start at the back.
7. Feature restarts will follow regular Slinger procedure: When the orange traffic cone is placed at the start/ finish line, all cars behind the leader must choose the high (outside) or low (inside) lane for their restart. Drivers must select a lane upon reaching the cone must stay in that lane until the green flag is displayed. Cars may gain positions by selecting the shortest lane. Cars

changing lanes after the cone will be given the black flag to report to the pits. They may rejoin the field at the tail end of the longest line. Lapped cars may NOT take the cone and stay to the tail of the longest line. There is no Lucky Dog.

8. Bracket fast qualifier must run preliminary events. Driver that qualified the car must race the car.
9. Four brackets at 140 qualified cars 4 cyl. Bracket split at 48 qualified cars.

### Pit Procedures
