**10:00am to 5:00pm** Tire Sales & Mounting and Gas Sales

- To eliminate team-time spent waiting in line, the winner of the Midwest Truck race at the Prelude (Sunday) will pull a chip (1-99). Tire sales will be in order based on that chip and car number. Ex: Chip 52 is drawn - car 52 is first for sales, then 53, etc. That's for the first round (4 tires). Then, for the second round, we will start with the number prior to the drawn chip and work down. If a representative is not present when the car number is called, we will immediately move on to the next car number. For duplicate car numbers, we will call alphabetically by driver last name.
- Purchased tires must be moved directly to impound

**10:00am to 4:30pm**

- Grandstand gates open-free admission for fans
- Concession stand in turn 4 will be open (until 3pm) - grandstand access also
- There will be a cone set up on the yellow line in turn 4. Cars entering while the track is hot should aim for it and get up to speed on the low side.
